Fiscal Services Division

Appropriation Subcommittee Documents
On the General Assembly Web Site

January 19, 2005

During the 2005 Session, as in previous years, the Fiscal Services Division will be posting subcommittee agendas, minutes, meeting handouts, and other budget-related information on the Internet for the benefit of legislators, staff, and the general public. However, the location of those materials has changed.

To access documents for the Justice Appropriations Subcommittee, go to the General Assembly home page at <http://www.legis.state.ia.us/lfb> and click on **Committees** (left side of the screen).

At the *Committees* menu, scroll down to *Joint Appropriation Committees* and click on **Justice System Appropriations Subcommittee**.

Below is a sample of the Education Appropriations Subcommittee web page. As with the Justice System Appropriation web page, you will find links to members' individual pages, as well as link to a page of members' photos. The *Additional Information* link will take you to the Fiscal Services Division's documents.

On the Additional Information page, you will find the Subcommittee's agendas, minutes, materials distributed (including meeting handouts), and budget documents prepared by the Fiscal Services Division. Documents within each category will be sorted by date. Multiple documents for the same date will be sorted alphabetically.

In the near future, we plan to provide a listing of related web sites, as well as email links for staff and access to subcommittee documents from previous years.

As you visit and use this web page, please share your suggestions for how we can improve it to better serve your needs. Jennifer Acton and Beth Lenstra will be maintaining the page and will welcome your ideas for information and related links you would like to see there.
